

Field Artillery

Year Group 2025

INTELLIGENCES: Interpersonal, Logical-Mathematical, Spatial

SKILLS: Welcome to the most lethal branch in the Army! There's never been a more exciting nor a more relevant time to be a Redleg! The Field Artillery Branch is looking for Cadets who have the capacity and desire to lead others who are not only physically fit and mentally tough, but have an aptitude for rapidly processing and prioritizing multiple demands within complex operations across highly diversified teams, organizations, and missions. We want leaders of character and empathy who live the Army Values. The Field Artillery Branch develops the only Army officer who is uniquely qualified to coordinate, synchronize, and integrate lethal fires and effects in support of Army, Joint, and multinational forces. We are the only officer cohort that serves at every echelon in the United States Army and in every combined arms formation from Armor, Infantry, and Stryker Brigade Combat Teams to Ranger and Special Operations forces. Field Artillery officers are inspirational leaders skilled at solving problems and collaborating with others in pursuit of accomplishing the mission; they are analytical and innovative leaders that are technologically adept and demonstrate a high degree of mental and physical stamina. **"King of Battle!"**

KNOWLEDGE: The Field Artillery branch desires Cadets with diverse experiences and skills gained via past employment, participation in clubs and athletics during their academic tenure. Diverse individual and personal experiences contribute to the success of the branch.
